

## **Newington - Proposed Parking Restrictions**

1. That 'No Parking' restrictions be installed at the streets bounded by Haslams Creek, Wing Parade, Newington Boulevard, Avenue of Oceania, Newington as detailed below.
  - west side of Cooper Avenue between Jordan Avenue and Elvstorm Avenue
  - south side of Jordan Avenue between Cooper Avenue and Devitt Avenue
  - north side of Jordan Avenue between Cooper Avenue and Konrads Avenue (private road)
  - west side of Konrads Avenue between Jordan Avenue and O'Neil Avenue
  - outside House Nos. 2-24 and 31-43 Heidelberg Avenue (excluding bends and intersections as detailed in recommendation 2)
  - east side of Stevenson Avenue between Kuts Avenue and Heidelberg Avenue
  - West side of Lewis Way between Kuts Avenue and Wenden Avenue
  - West side of Kosmala Close between Nurmi Avenue and Wenden Avenue

Please note Council has sought to match the current practice of residents parking in the street without disrupting residents' usual parking habits.

2. That 'No Stopping' restrictions be installed at the streets bounded by Haslams Creek, Wing Parade, Newington Boulevard, Avenue of Oceania, Newington as detailed below and shown in the attached sketch.
  - Both sides of Cooper Avenue at the intersection with Elvstorm Avenue
  - Both sides of Cooper Avenue at the intersection with Jordan Avenue

- Both sides of the bend in Ali Parade at property no. 28

Note that where restrictions are installed on both sides of the road at intersections and bends, this is only to ensure that a vehicle is able to safely navigate the bends/intersections. The restrictions generally do not extend on both sides beyond the turning area at the intersection/bend to ensure that the parking loss is kept to a minimum and is only what is necessary to ensure safe access.
