

Summary of the changes for the Procurement Policy

1. **Page 2:** Included a reference to compliance with the Council's Cyber and Information Policy.
2. **Page 3:** Amended the wording for local suppliers to " it will include a weighted selection criterion, allocating 5% of the total evaluation score to suppliers identified as 'Local Suppliers' ".
3. **Page 4:** Changed the term "Procurement Guidelines" to "Procurement Manual."
4. **Pages 4 and 5:** Removed quotation thresholds from the policy, as these are now considered operational/internal processes and are included only in the Procurement Manual and included definitions on Australian Made and Local Supplier.
5. **Pages 5 and 6:** Added references to additional associated policies.
